* Alaska law sets forth the reasons for holding an executive session. In moving for an executive session, the reason should be set forth in one of the motions as outlined.

1. I move that the Board go into Executive Session to discuss a person, a subject that may tend to prejudice the reputation or character of a person, provided the person may request a public discussion.
2. I move that the Board go into Executive Session to discuss matters, the immediate knowledge of which would clearly have an adverse effect upon the finances of the school district.

** The board invites public comment at this time on agenda and non-agenda items. Comment at this oral hearing is limited to three minutes per person and five minutes per group. **The public comment period is an opportunity for the board to hear the public's concerns. The board will not engage in discussions with members of the public during the comment period.** Public comment is scheduled during regular meetings only when the board takes formal action.
